vs. ) Case No. 4:11CR00196-JCH(DDN)  
ROBBIN CROSKEY, )  
Defendant. )

DEFENDANT'S MOTION REQUESTING TERMINATION OF GARY E. MILONE

COMES NOW, the defendant, Robbin Croskey, pro se, and respectfully moves this Court for an Order granting her request to terminate Gary E. Milone as her attorney, and state the following:

1. There has been a complete breakdown in communication between attorney/client, thus there now exist heartfelt mistrust and irreconcilable differences which has consequently

created a "conflict of interest" in the direction of her case as a matter of law. Moreover, Mr. Milone repeatedly insist that I sit down with the prosecuting attorneys to discuss the evidence, when it seems clear that the Government's evidence against her is mere microscopic. Mr. Milone should be putting the Government's burden of proof to a test, particularly, in light of United States vs. Lopez, 443 F.3d 1026 (8th Cir. 2006)(en banc) ("repudiating the slight evidence rule for sufficiency of evidence of a defendant's participation in a conspiracy"), rather than subjecting her to a remarkable risk of loss of liberty.

2. Attorney/Client have reached an impasse, and defendant Croskey has lost faith in counsel and believes counsel is not acting in her best interest. The relationship has been irretrievably broken and is irreparable.

WHEREFORE, the defendant, Robbin Croskey, pro se, pray that this Court grant her motion requesting termination of Gary E. Milone as attorney of record.

Respectfully Submitted,
